***In May 2021, we will take orders and purchase the books for July 2021 through June 2022 in one order to get the lowest prices possible. At the June 2021 meeting, new books will be picked up by those who reserved a set. We try to keep the total less than \$30 for the year. If you join at another time, please look for your books online or at the local library. If you can't find one, please come anyway. You never have to read the book to join us.***

We enjoy sharing the whole story with you at the meetings!
