HCS and TxHm Living Waiver Programs

An Agency will pay when a student is in attendance for Day Hab only for HCS and TxHm Living waiver programs.

When the student is not in attendance, the parent/guardian will be responsible for paying an absence fee. Absence fees may be paid the following weekday OR will be billed once a month.

The total absence fee will be based on a Day Hab fee plus an AM and/or a PM attendance fee, if applicable. Since the AM and/or a PM attendance fees are due in advance (if applicable), if your child/sibling is absent then only the Day Hab fee will be due at the time of the absence.
